

Poor little fellow! He coughs so hard he cannot sleep. That makes him weak and sickly all the next day. His brother thinks this coughing is terrible. So do we, for we know that just a few doses of

**Ayer's Cherry Pectoral** will stop the cough. For sixty years it has been the standard remedy with men, women, and children for colds, coughs, and all throat and lung diseases. It contains no narcotic or poison of any kind. Be sure that you get Ayer's Cherry Pectoral. Accept no cheap and worthless substitute.

## PLAY BALL VARSITY RUGBY GOES NORTH

A meeting of the Honolulu Baseball League has been called for 12:15 o'clock tomorrow afternoon at the office of Attorney Frank Thompson, Merchant street, upstairs.

At this meeting will be considered what action to take in the matter of the series of games promised against the Reach All-American Baseball team, soon to come this way from the Orient.

The League has placed a forfeit of eight hundred dollars against quitting and it is up to Honolulu to produce a team to play the Mike Fisher bunch or to forfeit \$800 plunks, kindly loaned, and also to forfeit a big chunk of the good sporting reputation this town has so carefully acquired.

## SPORT AND SPARKLES

It is whispered that the yacht Hawaii, the cup racer—our cup racer—is to be sent to the Alaska-Yukon-Pacific exhibition; good enough!

Entries for the local walking elimination contest to occur Sunday, January 10, close Saturday, January 9. The "real" race is pulled off Sunday, January 17. C. G. Bartlett, Jack Scully and Eddie Fernandez will judge the events.

LOS ANGELES, Dec. 18.—Fifty business and professional men of this city met at the invitation of Arthur Letts, proprietor of the Broadway store, today, and organized a movement to eradicate race track gambling in California.

De Rosa, the mechanic who was killed in one of the automobiles practicing for the recent races at Savannah, was buried from St. John's cathedral, Savannah.

The Savannah Automobile club had charge, and the ceremony was strictly an automobile funeral, the first of its kind ever held in this country. Instead of the regular hearse and carriages, automobiles were used, a stripped chassis serving as a hearse. Thousands of people attended the services at the cathedral and followed the remains. At the latter place the crowd was so great that a battalion of police was needed to keep order.

## ROOSEVELT'S TORRID WORDS ON PULITZER

These stories were first brought to my attention as published in a paper in Indianapolis, called "The News," edited by Mr. Delavan Smith. The stories were scurrilous and libelous in character and false in every essential particular. Mr. Smith shelters himself behind the excuse that he merely accepted the statements which had appeared in a paper published in New York, "The World," owned by Mr. Joseph Pulitzer. It is idle to say that the known character of Mr. Pulitzer and his newspaper are such that the statements in that paper will be believed by nobody; unfortunately, thousands of persons are ill informed in this respect and believe the statements they see in print, even though they appear in a newspaper published by Mr. Pulitzer. A Member of the Congress has actually introduced a resolution in reference to these charges. I therefore lay all the facts before you. \* \* \* Now, these stories as a matter of fact need no investigation whatever. No shadow of proof has been, or can be, produced in behalf of any of them. They consist simply of a string of infamous libels. In form, they are in part libels upon individuals, upon Mr. Taft and Mr. Robinson for instance. But they are in fact wholly, and in form partly, a libel upon the United States Government. I do not believe we should concern ourselves with the particular individuals who wrote the lying and libelous editorials, articles from correspondents, or articles in the news columns. The real offender is Mr. Joseph Pulitzer, editor and proprietor of the World. While the criminal offense of which Mr. Pulitzer has been guilty is in form a libel upon individuals, the great injury done is in blackening the good name of the American people. It should not be left to a private citizen to sue Mr. Pulitzer for libel. He should be prosecuted for libel by the government authorities. In point of encouragement of iniquity, in point of infamy, of wrongdoing, there is nothing to choose between a public servant who betrays his trust, a public servant who is guilty of blackmail, or theft, or financial dishonesty of any kind, and a man guilty as Mr. Joseph Pulitzer has been guilty in this instance. It is therefore a high national duty to bring to justice this villager of the American people, this man who wantonly and wickedly and without one shadow of justification seeks to blacken the character of reputable private citizens and to convict the Government of his own country in the eyes of the civilized world of wrongdoing of the basest and foulest kind, when he has not one shadow of justification of any sort or description for the charge he has made. The Attorney-General has under consideration the form in which the proceedings against Mr. Pulitzer shall be brought.

LEADING JOURNALIST DIES IN DOBBS FERRY NEW YORK, Dec. 26.—Major Orlando J. Smith, president and general manager of the American press association since 1882, died at his home in Dobbs Ferry tonight. Major Smith had been ill since September.

Major Smith founder and president until his death of the American press association, was a prominent figure in American journalism for 40 years.

Few men were better known in the newspaper world. After active service in the civil war, in which he rose from the rank of private to major, Major Smith became editor of the Mail of Terre Haute, Ind. Later he bought the Express of Terre Haute, removing the paper in 1878 to Chicago. In 1882 he founded the American press association. By his writings on religion, philosophy

## DEATH LIST IS DOUBLED

Estimated That Death List from Earthquake Will Reach One Hundred Thousand.

PESTILENCE IS THREATENED.

Other Nations Render Assistance—Warships as Hospitals—Some Awful Particulars of Disaster.

ROME, December 30.—It is now estimated that dead in the districts devastated by the earthquake number not less than 100,000.

Warships of all nations are hurrying to the scene. Some that have arrived have been transformed into floating hospitals.

There is grave danger of pestilence and bodies are being burned at Messina. Torrential rains are falling at the latter place and the fleeing thousands and the cries of the injured form a most harrowing spectacle. Many people have gone insane.

Incomplete reports indicate that the dead at Messina will number from 12,000 to 50,000. A. S. Cheney, the American Consul, and his wife were killed. In Reggio and adjacent villages are at least 45,000 corpses. Cassano reports 1000 and Bagnara 2000. The latest report says that 4000 soldiers are buried underneath their barracks at Messina. Forty-one out of 200 customs officers were saved and out of 280 railroaders eight were saved.

The lighthouses on the coast are gone and a great rock near Charybdis has fallen and now blocks the entrance to the Strait.

There is great suffering for food and clothing. The earthquake occurred at 5:30 in the morning.

All the bourses and theaters are closed. The King and Queen will arrive in Sicily today.

## \$2,500 REWARD IF YOU FIND THE LADY

Twenty-five hundred dollars reward will be paid through the Perkins Union Detective agency, to any person who will furnish positive information as to the present whereabouts of Mrs. W. A. Stone (Bertha May Stone), who left her home in Uniontown, Pa., on December 2, 1906. The supposition is she was accompanied by or now is in the company of Emery Martin also of Uniontown, Pa. It is thought that Mrs. Stone is mentally unbalanced and her grief stricken husband, W. A. Stone, earnestly desires that his wife be located and tenderly cared for until he be notified. There is no criminal charge pending against either of the missing parties. The motive of the husband in offering and pledging himself to pay this reward is to quickly locate his missing wife whom he still loves and cherishes and whose little children need their mother's care. It is thought Emery Martin, if located, can enlighten any person as to the whereabouts of Mrs. Stone. Do not incur expense of telegraphing unless identification is positive.

### WAIHAWA SCHOOL CLOSING.

At the closing of Waihawa school for the holidays the teacher, Mrs. Brown, gave a treat to the children, presenting them with dolls, trunks, flags, etc. The youngsters performed a closing program in good style. They marched away waving the Stars and Stripes—a happy mingling of the European and Asiatic races, 56 pupils being in attendance. Many Japanese parents were present and Mr. Scudder addressed the school in Japanese.

### CHAMBERLAIN'S COUGH REMEDY IN SOUTH AFRICA.

Mr. S. Schneider, of Koffeyfontein, O. R. C., is very grateful to the manufacturers of Chamberlain's Cough Remedy. He has found that it cures his children as well as himself of their coughs and colds. They were all coughing and got no relief until this remedy was used. Many parents have made this same discovery. There is nothing better for coughs, colds and croup, and as it contains no injurious substance, there is no danger in giving it to the children.
